

# Youth Support Camp Summer 2007

CARE's **FREE** Youth Support Camp is for youth ages 6-15 who:

- are concerned about a family member's use of alcohol or other drugs or
- have a family member in recovery.

A **FREE** parent education/support group is also available at the same time but is not mandatory.  
(Childcare is available for children ages 3-5 for those parents who attend the parent education/support group)

Children will learn tools to reduce their anxiety, develop healthy coping skills, learn about addiction and discover they are not alone with their concerns. The camp is full of fun activities while using a skill-building approach. Children should be available to attend all eight days for the best experience.

**FREE**
